

# Hands on Science!

## 2018 School Holiday Incursion Program

Hands on Science specialists will come to your venue to entertain and educate 5-12 year olds in a fun and meaningful way. Students will participate in a range of science activities designed around a special theme. Each session includes something that the students will take home.

Term holiday period	Theme
Easter holidays (April 2-15)	<b>Eggsperimenting</b> The chocolate egg challenge. Egg chemistry. Make a wobbly egg toy.
Midyear holiday (July 1-15)	<b>On the Move</b> Design and make funny flying machines which spin, summersault or twist and turn. Use air power to make objects move over land.
Term 3 holidays (Sept 24-Oct 7)	<b>Halloween Science</b> Make green slime. Enjoy many “trick and treat” experiments. Find out about the history
Summer holidays (Jan 7-25, 2019)	<b>Water Action</b> Make a fountain, sink a poly bear, study what happens to a balloon and enjoy some other unusual water experiments.
Anytime	<b>Harry Potter’s Science</b> Use science to perform “magic” just like Harry Potter. Make things move without touching them. Make things grow and more.
Anytime	<b>Weird Science</b> Crazy chemistry experiments. Fantastic physics activities. Make a wriggly toy.

### INFORMATION:

Each session is designed for up to 30 students with supervision and assistance from your staff. Please contact us to discuss topics and availability.

### Cost:

1 hr	\$309.00	\$339.90 inc GST
1.5 hrs	\$463.50	\$509.89 inc GST
